Response to Amendment filed June 1, 2004

2 The reply filed on June 1, 2004 is not fully responsive to the prior Office action
3 because of the following omission(s) or matter(s):

4 The Applicant's reply to the objection to the drawings does comply with the
5 requirements of 37 CFR 1.85. Drawing changes must be made by presenting
6 *replacement figures* which (a) incorporate the desired changes, (b) comply with 37 CFR
7 1.84, and (c) are labeled in the top margin as "Replacement Sheet." An explanation
8 of the changes must be presented either in the drawing amendments or remarks section
9 of the reply and may be accompanied by a marked-up copy showing changes and
10 labeled as an "Annotated Sheet." The Applicants failed to provide replacement sheets
11 and only provided marked-up copies.

13 The remarks section of the reply on pages 10-11 repeatedly refers to cancelled
14 claim 1 when the remarks appear to be directed to claim 8.
